MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM: Director, Office of External Affairs

SUBJECT: Meeting with Senator Dan Quayle

1. Senator Dan Quayle (R., IN) has requested a meeting with you on Friday, 29 January 1982 at 10:30 a.m. This is a follow-up to a previous meeting he had with the DDCI concerning CW/BW.

2. During this session the Senator would like to discuss the Polish situation; the on-going disarmament talks; CW/BW; and a general overview of the Middle East situation in preparation for his upcoming trip in February. He has also indicated an interest in viewing overhead imagery in order to get a feel of U.S. capabilities in these areas.

3. I recommend you meet with the Senator for approximately ten minutes to cover the agent identities legislation. Senator Quayle is against the Chafee amendment and is for the Biden language. Senator Quayle's staff has been in contact with Senator Specter's staff and they have shown the same view: that the Biden language makes a case more easily prosecutable than the Chafee language. The DDCI can then cover the topics indicated above.
